NIAA

NATIONAL INSTITUTE
OF ALLIED ARTS

2025 GALLERY

WWW.NIAAZIM.CO.ZW

The Visual Arts Festival 2025 Gallery Book. All visual arts artwork is submitted under nom de plumes, so that adjudicators are blinded when adjudicating the work, to both the name of the student and school. Each work of art is individually assessed, and marked according to our carefully considered marking rubric. A selection of the best work is recognized at an exciting annual prize-giving ceremony where students are awarded trophies (for the Best Junior and Best Senior artists) and prizes in recognition of their achievements. This is accompanied by a beautifully choreographed exhibition of artwork, celebrating and upholding visual arts standards and achievements across the country. All schools and students, and the public generally, are encouraged to visit, and enjoy the exhibition over the week following prize-giving. The Visual Arts Festival 2025 is sponsored by **Innscor Africa Limited** and **Redan**.

FESTIVAL THEME FOR 2025

'Reflections'

This year's theme of 'Reflections' seems to have been an incredible springboard of ideas for our artists. We see pieces that turn the focus inward, searching their own inner thoughts and feelings; we see pieces that look outward – to the world around them and in which they dwell, to the environment and our own impact on the world around us. There is much to enjoy and reflect on in these thought-provoking pieces!
